

perma LUBRICATION SYSTEMS IN AGGREGATE INDUSTRY CRUSHER ELECTRIC MOTOR BEARINGS

CHALLENGE

- Lost production Costs
- Workplace Safety
- High failure rates, when improperly lubricated
- Maximum Efficiency and Minimum Downtime
- Precise grease requirements
- Critical Equipment
- Repair / Replacement Costs

SOLUTION

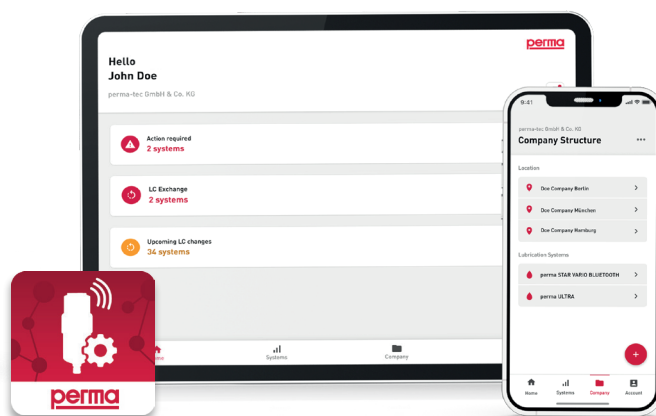

ADVANTAGES

- 77% documented Cost reduction over 5 years*
- 33% risk exposure reduction
- Simplified maintenance work
- Increase Workplace Safety
- Status check from safe distance via Bluetooth
- Easy Maintenance Planning and Monitoring with perma CONNECT
- Increased Equipment Life

77%
cost reduction
